5. OPTIONAL Notice of Non-Compete/Non-Solicitation Covenant Addendum for Highly Compensated Workers (add \$400): Yes No

If your office has contractors who will earn at least sixty percent (60%) of the threshold amount for highly compensated workers (currently calculated as follows: \$123,750 X 60% = threshold of \$74,250) and you are interested in including additional restrictive non-compete covenants in your agreement with such contractors, this option provides for tailoring of your non-compete addendum to your specific brokerage needs. **This option also includes a mandatory consultation with an attorney** to discuss the restrictions you seek in the tailored Addendum. If you select this option, we will contact you to arrange the consultation.

6. OPTIONAL Post-termination Referral Fee Language (add \$200): Yes No

If you would like to include language which requires your licensees to pay you a referral fee for closed deals over a short period of time resulting from relationships that you have fed to agents who leave and take that relationship, the addition of such provisions increases the price by \$200. **This option includes a mandatory consultation with an attorney** to discuss issues associated with residual referral fee language. If you select this option, we will contact you to arrange the consultation.

REQUIRED AUTHORIZATION FROM EMPLOYING BROKER: I am the Employing Broker for my company and would like you to prepare this form and send it to my firm. I understand that while my order creates an attorney-client relationship between FJGG and my brokerage firm, this is a limited services engagement such that taken by itself, my order of a Broker Product Form does not preclude FJGG from representing other clients who have interests adverse to mine.
